

InfoTrack is a powerful collection of legal productivity tools built right into the software you already use.

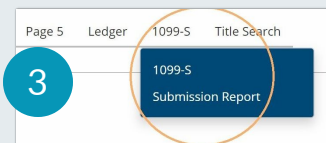

INTEGRATES WITH

Create a free InfoTrack account

Link it in Easysoft under 'Settings'

Start an order from any Easysoft record

Simple filing built into Easysoft

Linking to a free InfoTrack account expands the power of Easysoft, allowing you to submit 1099-S filings, mark and distribute documents for electronic signature and conduct title searches on-demand.

1099-S filing

Breeze through tax reporting of your real estate transactions in our simple, online workflow. Easysoft data pre-populates key fields for enhanced speed and accuracy.

eSignatures

Mark documents and distribute them for electronic signatures using SignIT, technology developed in collaboration with industry-leading developer DocuSign.

Title searching

Conduct numerous mortgage and chain of title-related searches, including:

- APN/tax identification number
- Open voluntary/involuntary liens
- Current tax information
- Delinquent tax information
- Refinance searches
- Owner encumbrances
- Bankruptcy name searches via PACER
- Recorded easements, restrictions and covenants
- Marriage licenses, divorces, death certificates or probate records needed to complete chain of title

No recurring fees, ever

There are no setup or subscription fees for your InfoTrack account. You only pay when you place an order, with all prices clearly marked.
